

# The Warblington Cist

*“I will remember the moment the top came off in my hand for the rest of my life”*

James Kenny, Excavation Director, 19 September 2014

Stone cist  
being  
excavated

Stone cist  
with top  
removed.  
Note two  
packages  
inside

The discovery of this cist in a secure archaeological context is unique – there is no other similar recorded deposit in the UK
